- 28<sup>th</sup> May - Break up.
- 7<sup>th</sup> June - Back to School - Term 6.
- 21<sup>st</sup> July - Break up for Summer Holidays.

Class Dojos

Every pupil has been working extremely hard this term so far - and are all still earning lots of Class Dojo points.

Keep working hard, show how you can use our school values and earn points to receive more rewards, and aim to be the star of the week!

Stars of the week in Term 3:

- Week One - Alder Class
- Week Two - Oak Class
- Week Three - Cherry Class
- Week Four - Cherry Class
- Week Five - Birch Class

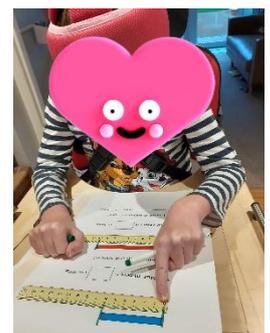

Home Learning:

In these difficult times, some of us are having to adjust and adapt the way we work. We are impressed at the resilience of our pupils who are learning from home. We love to see the work you do so please keep sending in your pictures and emails. Look at some of these pictures of amazing cooking that has occurred at home, these look tasty! Well done parents/carers and families at home for all the support you have given too.

If you are having zoom lessons etc. - please can you be mindful of background noise and ensure that your child has minimal distractions whilst online participating in lessons.

Our school focuses on whole school topics, we'd like to share with you what we did in term 3.

Topic Work: Bright Lights, Big City!

This term has been very exciting in school. We have learnt all about our capital city - London. We have looked at famous landmarks (and even managed a 360° virtual tour), at the different types of transport available and even had a visit from the Queen!

We have read lots of stories such as Peppa goes to London, Mr Men in London, and the Pussycat goes to London. Look at the amazing London Bus Alder made for Peppa & Friends.

We have looked at important events such as the Great Fire of London.

The whole school collaborated on a project to make our very own fantastic Llewellyn Bus and Bus Stop. Even the Queen was very impressed!

We have looked at Landmarks, the Royal Family and the British Flag.

Please visit the School website to see the new termly topic page, where you will find more pictures of the wonderful work completed this term.

Look at just some of the lovely displays in school, there has been LOTS of work going on!

### New small animal enclosure:

There is now a new small animal enclosure being built at Llewellyn School for our rabbits and guinea pigs at the school. We hope that this will give them a much more secure area to run around and enjoy.

### Meet our new rabbit: Hero

### Meet our Guinea Pigs: Oreo and Biscuit

### Did you know?

- Each guinea pig has five different types of hair that makes up their coat.
- A young guinea pig can run when they are only three hours old.
- Despite their name they are not pigs and do not come from Guinea. They originated in the Andes.
- Another name for a Guinea pig is a 'Cavy'. A male is called a **boar** & female is called a **sow**.

### School Values:

We really believe in these and have been encouraging pupils to think about their actions and if they reflect the school values.

If not, what can we do to improve that?

This term in our assemblies we have focused on:

## Kindness

We have seen some excellent shows of kindness at school recently - Some of our students helped another classmate get down to forest school by building them a path to get over the wet sticky mud as they did not like it and it was quite a task! There has been some excellent turn taking and sharing at school too. We have seen lots of displays of kindness at home too via zoom- with siblings/parents etc.

We are so proud of all of you!

There has been some amazing Art Therapy work created at school and at home by the with the help of the lovely Sandra. The children have been creating 2d and 3d artwork using various tools and techniques, such as balloon painting, printing, bag painting, collage. They have also been learning to create a tonal sky, applying paint from light to dark. There has been a huge selection of wonderful work made:

Thank you Sandra for all your hard work in putting these lessons together - we know the weekly zoom lessons are really enjoyed and is a highlight of many pupil's week!

*Sandra* Art4All

## Please support the school by raising donations for Louie's Helping Hands when you shop!

Shoppers who start at [smile.amazon.com](https://smile.amazon.com) will find the same Amazon they know and love, with the added bonus that Amazon will donate a portion of the price of eligible purchases to the charity of your choice.

Here's how to sign up for AmazonSmile:

Visit [smile.amazon.com](https://smile.amazon.com)

1. Sign in with your Amazon.com credentials
2. Choose a charitable organisation to receive donations - **Louie's Helping Hands**.
3. Select your charity and Start shopping!
4. Add a bookmark for [smile.amazon.com](https://smile.amazon.com) to make it even easier to return and start your shopping at AmazonSmile

How to turn on AmazonSmile in the Amazon Shopping app

1. Make sure you're signed up for AmazonSmile (use your web browser to visit [smile.amazon.com](https://smile.amazon.com))
2. Download or update to the latest version of the Amazon Shopping app for [iOS](#) or [Android](#).
3. Open the app and find "Settings" in the main menu.
4. Tap on "AmazonSmile" and follow the on-screen instructions to turn on AmazonSmile in the app.

We hope that you all have a lovely half term break, and we look forward to seeing you all soon.

**School recommences on the 22<sup>nd</sup> February 2021.**

Our new Topic for next term will be:  
**Tribal Tales.**

We will be learning about the Prehistoric Ages such as the Stone, Bronze and Iron Age. We will be learning about African Tribes and much more!

## COVID-19:

We wanted to reassure you that all staff at the Llewellyn School are taking every precaution with regards to coronavirus.

The school is deep cleaned every Friday, as well as daily cleaning of all equipment used. School have also purchased a fogging machine to help assist with this.

Staff, pupils and visitors have access to lots of PPE and hand sanitiser as needed - and are given lots of opportunities throughout the day to wash their hands.

In line with Public Health England and Government advice - our staff are now voluntarily taking Lateral Flow tests twice weekly to help ensure we are doing our best to keep our community safe.

We would like to thank you for wearing your masks and cooperating with the school drop off/pick up arrangements. If you or any member in your household show any symptoms, please contact the school and let us know ASAP.

## School Website:

There is now a 'pupil learning zone' on the school website with some links if you are looking for extra activities to do whilst at home, including therapy links and a forest school area. We will be updating the school website with more links to events/work that school are taking part in so please use it to see what is happening. If there is anything else you would like to have on there - please get in touch and let us know!
