

Term 5 Newsletter

Birch Class

The topic of the term was human survival. The children have been learning about the basic needs for human survival including the importance of exercise, nutrition and good hygiene. They have also learnt how human offspring grow and change overtime into adulthood.

Next term's topic is coastlines. The children will be learning about the physical and human features of coastal regions across the United Kingdom, including a detailed exploration of the coastal town of Whitby in Yorkshire.

We are really pleased that the Community can now see our achievements with our new banner.

Chestnut Class

As we approach the end of another eventful term, we would like to share with you some incredible educational activities that our children have been involved in. It has been a term filled with growth, exploration and learning. We are delighted to see the progress our students have made. Here is a glimpse of what we have been up to:

Willow & Oak Class

The children have been to both Wildwood and Wingham Wildlife Park to see the animals. They have been learning numbers, colours and using visual prompts and BSL. It was lovely for our music lady Helen to support us at the show. The children have visited Windchimes in Herne Bay and accessed the sensory activities and garden.

Silver Birch Class

Silver birch class have worked extremely hard this term learning column addition and subtraction in maths. They have produced food diaries, studied the importance of healthy eating, exercise, getting enough sleep and personal hygiene, to make our bodies function correctly. The children thoroughly enjoyed rehearsals for the show and performing the Wizard of Oz. Fantastic singing, signing and dancing. For our topic trip this term, the class attended Betteshanger Park where they demonstrated archery skills, toasting marshmallows and bush craft at the forest school.

Art

This term in art the children have created healthy food plates made of junk modelling and clay.

We have looked into impressionist's artwork and the children have created their own version of Starry Starry night by Van Gogh.

Fundraiser

After several months of fundraising, we are really pleased to announce our fully accessible, inclusive roundabout is now being tested by all our students and staff.

Our Annual Performance raised £676.00 for Louie's Heling Hands.

New Staff

Please join us in giving a big Llewellyn welcome to Dean Lowdon, he will be teaching Birch Class.

Staff Leaving

Nic Moon has left this term, to pursue her career in a mainstream school. We wish her all the best for the future.

Our Annual Performance Photos

We hope that you all have a wonderful half term break and look forward to seeing you all on Monday 12th June 2023.
