## PATHWAY 4 - POST 16

Our Level 2 **Employability** qualification helps students develop vital new skills by covering units including teamwork, overcoming barriers to work, career exploration and enterprise.

Our new **Personal and Social Effectiveness qualifications** are designed for learners in post-16 education, embarking on programmes at Levels 1 and 2. The qualifications will develop 21st century competencies in communication, collaboration and emotional intelligence.

ASDAN's Level 3 **Extended Project Qualification** carries 28 UCAS points and will help students practise, develop and demonstrate skills that support success in higher education.

A number of higher education institutions (HEIs) recognise the value of **ASDAN's Certificate of Personal Effectiveness Level 3** qualification and state that, alongside other Level 3 qualifications, it can contribute to fulfilling entry requirements to a range of higher education courses.
